

Dear Dorado Boat Owner

Please ensure that you have ALL the relevant documentation ready for the survey.

- 1 Complete the SAMSA form for you category of Vessel. If you have 2 boats a form must be completed for each as well as all the following documentation
- 2 Copy of your valid Buoyancy Certificate
- 3 Copy of your ID Document
- 4 Copy of last year's COF
- 5 Copy of your Skippers Ticket
- 6 Photograph of the vessel with the registration number clearly visible. Printed in colour on a A4
- 7 Copy of your VHF Operators Licence (If Applicable)

PLEASE DO NOT LAMINATE ANY OF THE ABOVE.

Your vessel will not be surveyed if all the above documents are not available

Please check that your vessel complies with all the requirements as listed in the above documents. Please pay special attention to the following:

- **All safety equipment must be clearly marked with the vessels registration number**
- **Ensure ALL flares are still valid (Not past the expiry date)**
- **Fire extinguishers must have been serviced by an Authorised Agent**
- **Life Jackets must comply with requirements**
- **Boat must be fitted with an emergency steering.**

- **No boat will be surveyed if your membership fees are not paid up. Check with Jaco Huysamen tel 082 788 1694**

Thanks for your co-operation and we look forward to see you next weekend.
